Lawrence Kadish Poll

National Poll
Likely General Election Voters
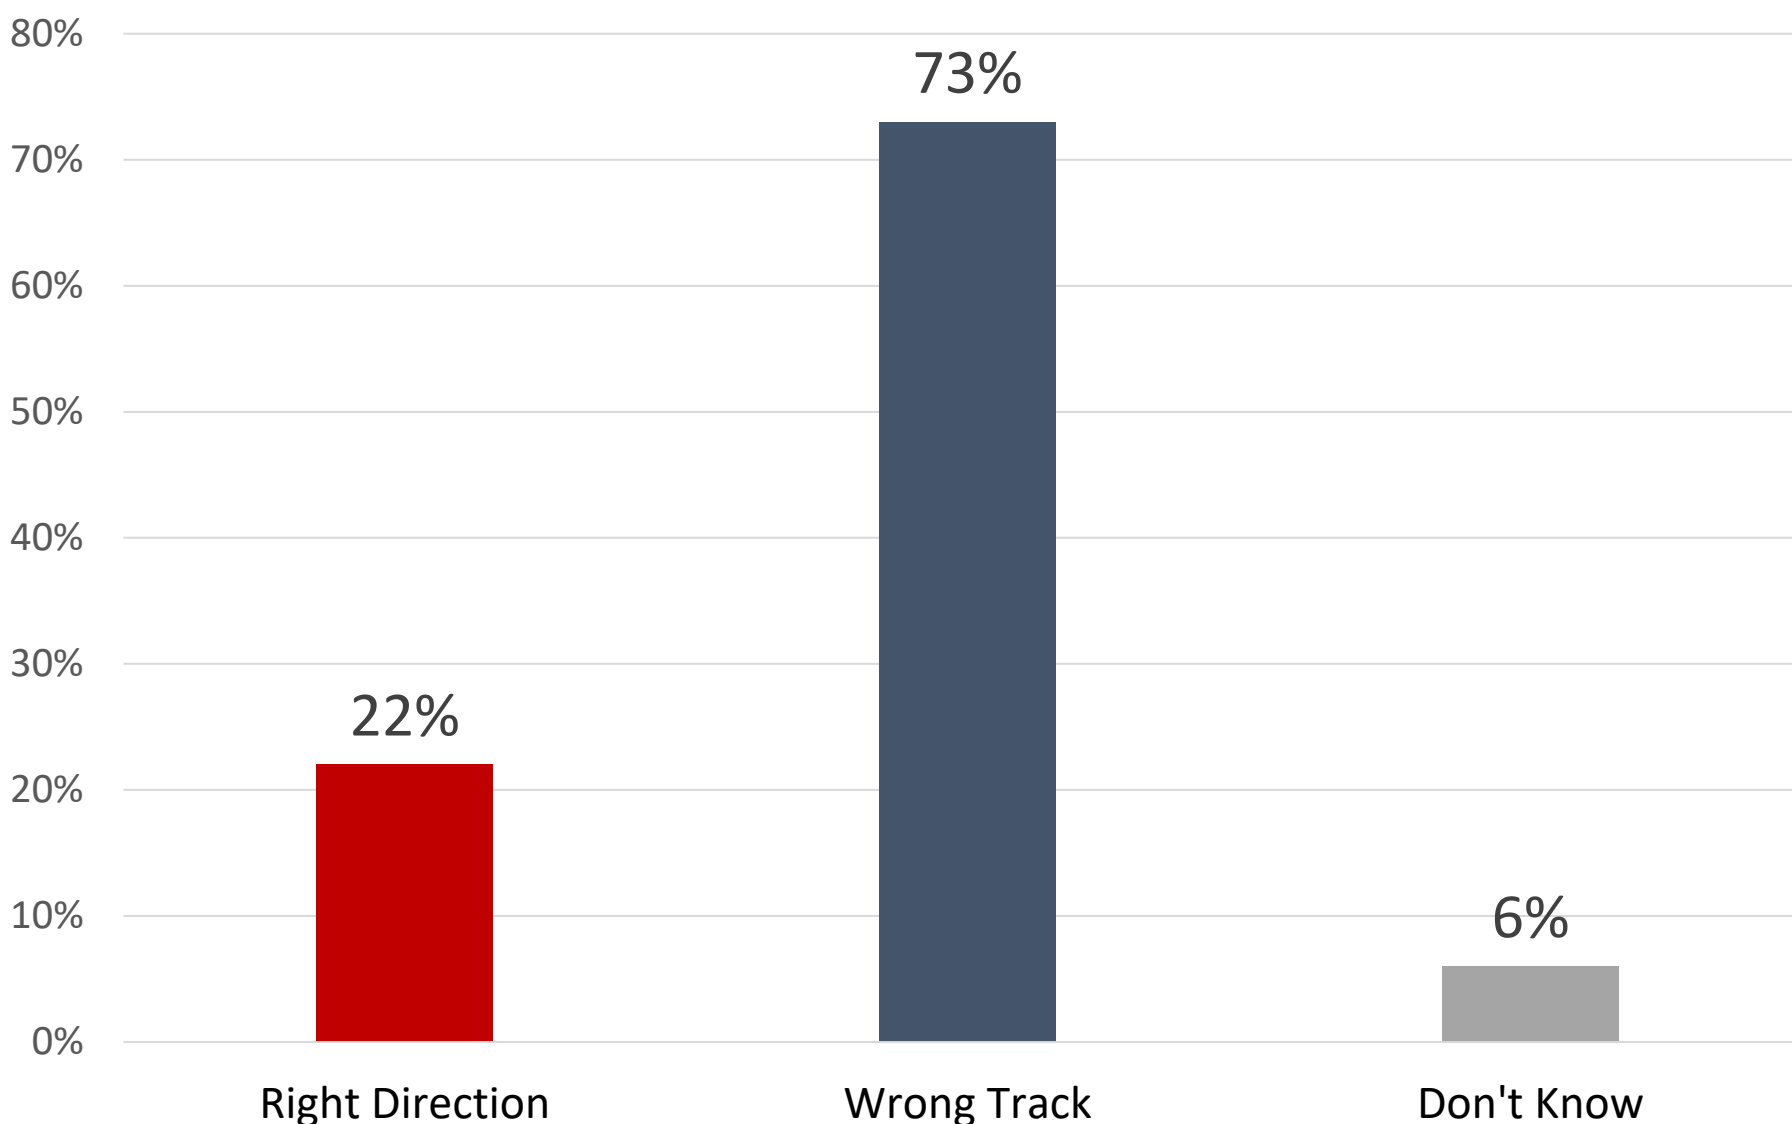

Methodology

Lawrence Kadish commissioned McLaughlin & Associates to conduct a national survey among 1,000 likely general election voters. All interviews were conducted online between May 21-23, 2024.

Online survey invitations were distributed randomly within predetermined geographic units. These geographic units and voter demographics were structured to reflect a presidential general election electorate.

Survey results in this presentation have been rounded and may not equal 100%.
